

10 Day Kununurra to Broome 4WD Kimberley Safari

This is a shorter version of our 13 day Kimberley safari, starting in Kununurra and without the Bungle Bungles or Lake Argyle.

Day 1 (L,D)

You will be collected from your hotel at 11.30 am this morning to begin your 10 day 4WD safari through the Kimberley region.

Our first stop this morning is Parry's Lagoon, which is a haven for birdlife.

Into Wyndham for lunch while we take in the sensational views of the 5 rivers lookout and the Cambridge Gulf.

Meeting up with the Gibb River road, we'll stop at an art site before making our way to El Questro Wilderness Park, which is a million acres in size.

Overnight camp - El Questro campground (2 night stay)

Day 2 (B,L,D)

This morning we take a walk into El Questro Gorge, which is a trail through a deep, narrow gorge, flanked by sheer cliffs. The walk features clear pools and lush tropical vegetation and the rainforest canopy has a diverse ecosystem, while keeping us shaded and cool through most of the walk. There are a couple of places to stop for a swim along the way.

Guests also have the option of taking one of the optional activities at El Questro, such as fishing or horseriding (own expense).

After lunch take the afternoon cruise through Chamberlain Gorge, viewing the beautiful scenery.

Overnight camp - El Questro campground

Day 3 (B,L,D)

An early start this morning to beat the crowds to Zebedee Springs for a relaxing dip in the thermal pools, set amongst palm trees.

We'll return to camp for breakfast and to pack up, before visiting the Durack Tree and Branco's lookout.

Leaving El Questro, we head onto the Gibb River Road where we'll stop to view the mighty Pentecost River and Cockburn Ranges before viewing the 'cuples', which are man made rock indentations.

We turn onto the Kalumburu Road and up to Miners Pool for a swim and some time to relax. Many species of birdlife can be seen here and for the early risers, kangaroo's often come out at sunrise.

Overnight camp - Miners Pool campground

Day 4 (B,L,D)

We have a later start this morning and head north again to Kalumburu community.

Kalumburu is the most northern settlement in western Australia and is situated on the King Edward River. The area has been home for many thousands of years to aboriginal people and this corner of the continent was one of the main entry points into Australia of the first ancient inhabitants. A mission was established in the community in 1932, after the original settlement was moved from Pago, 30 km away and the mission today plays a vital role in the community.

Once we've set up camp, the rest of the afternoon is free to do some fishing, bushwalking or simply enjoy the scenery and solitude.

Overnight camp – Kalumburu campground

Day 5 (B,L,D)

Today we have a very interesting morning, spent exploring Kalumburu with a local aboriginal guide.

We visit the Old Pago ruins and some WWII wrecks, which are close by.

Our guide will take us to several rock art sites, teach us about the aboriginal way of life, culture, bush skills and bush tuckers.

We also visit the museum for an informative talk and you may have the opportunity to buy original aboriginal art direct from the community and artists.

This afternoon, we head down to King Edward.

Overnight camp - on the banks of the King Edward River (campground-2 night stay).

Day 6 (B,L,D)

Today is spent swimming and exploring in the Mitchell Falls area. On our 3km walk into the falls, we'll visit Little and Big Mertens and delve into some bushtuckers and medicines.

The rest of the day is spent swimming and relaxing at Mitchell Falls, a three-tiered waterfall cascading over the plateau's edge and into the Mitchell River.

We'll take a short helicopter ride back to the car park enjoying the amazing views on the way and then make our way back to camp.

Overnight camp - on the banks of the King Edward River (campground)

Day 7 (B,L,D)

We'll have a later start this morning. After leaving camp, we'll view 2 unique art sites, of Bradshaw and Wandjina figures.

Then we head south down the Kalumburu road and to Miners Pool For a relaxing afternoon and a camp oven roast dinner.

Overnight camp - Miners Pool campground

Day 8 (B,L,D)

Leaving camp this morning, we'll stop on the banks of the Gibb River, before continuing our journey along the Gibb River road.

Our destination today is Mt. Barnett Station and Manning Gorge. This afternoon we take a walk to Upper Manning Gorge and Manning Falls, where you can sit under the waterfall and enjoy a swim in the large plungepool. There is some Bradshaw art here too.

Overnight camp - Manning Gorge campground

Day 9 (B,L,D)

Our first stop this morning is Galvans Gorge, a small picturesque gorge, surrounded by boab trees. It has some interesting rock art and is a great place for a relaxing swim.

Then we'll head to Bell Gorge, which is said to be the most picturesque gorge in the Kimberley. Here we take a short hike which leads to the waterfall, where we have a swim.

Continuing west, we pass through the King Leopold and Napier Ranges to Windjana Gorge, part of an ancient Devonian reef system where the Lennard River has cut through the Napier range. Freshwater crocodiles can often be seen lazing around on the river banks.

We set up camp and watch the sunset over the Napier Range.

Overnight camp at Windjana Gorge campground

Day 10 (B,L)

This morning we take a walk into Windjana Gorge and then head off to Tunnel Creek, a 750m long limestone tunnel in the Napier Range, carved into the rock over thousands of years. View stalactites and stalacmites and hear the story of Jandamarra, who used the tunnel as a hideout in the late 1800's.

The last leg of our journey along the Gibb river road takes us towards Derby, where we'll stop at the prison boab tree, before making our way to Broome.

We arrive late afternoon and you will be dropped off at your accommodation.
